1. General Provisions

1.1. The bot is for informational and educational purposes only.

1.2. The bot is not an investment tool or financial advice.

1.3. The user makes all investment decisions at their own risk.

2. Liability

2.1. The bot's author is not responsible for any financial losses, investment decisions, or the consequences of using the bot.

2.2. The bot only provides data and alerts – the interpretation of this information is the responsibility of the user.

2.3. Alerts generated by the bot depend on the market situation. It may happen that no notifications appear for a certain period of time – this is not an error, but a natural result of current market conditions.

3. Access and Fees

3.1. Access to the bot is paid on a subscription basis (monthly).

3.2. The subscription price is 100 USD/month (or another individually agreed upon price).

3.3. Access to the bot is granted after payment is received.

3.4. If the fee for the following month is not paid by the 10th of the month,

access is automatically suspended.

4. Terms of Use

4.1. Sharing the bot with third parties without the author's consent is prohibited.

4.2. The author may suspend or terminate the bot's operation at any time in the event of abuse.

4.3. The user agrees not to tamper with the code or the operation of the bot.

5. Privacy and Data

5.1. The bot does not collect any personal user data other than that required for operation (email address or Telegram ID).

5.2. Data is not transferred to third parties.

6. Final Provisions

6.1. Using the bot constitutes acceptance of these Terms and Conditions.

6.2. The author reserves the right to make changes to these Terms and Conditions.

6.3. In matters not regulated herein, the provisions of Polish law shall apply.

7. User Verification

7.1. The bot may only be used by adults (18+).

7.2. The bot author reserves the right to request proof of age in another, secure manner, such as a written declaration or symbolic transfers confirming identity (1 USD from an account to the user's name and surname).

7.3. The bot author never requests photos of ID documents or sensitive data (such as ID number, address, etc.).

8. Cancelling the Subscription

8.1. The user has the right to cancel using the bot and terminate the subscription at any time.

8.2. If the subscription is canceled between the 1st and 10th of a given month, the user agrees to pay the fee for that month, as access to the bot was already active.

8.3. After the 10th of the month, there are no additional fees for canceling, and your subscription will not automatically renew.
